

History Is...

History connects a study of the past
from a standpoint in the present
embedded with a call to action
in the future.

Standpoint is a problem.

History Is...

History studies the social relations people create

class nation
race etc.
sex/gender

in their struggle with/against nature to produce,

tools
factories
etc.

reproduce, learn what is true, be free.

sexuality
aesthetics
etc.

science
philosophy
history
etc.

stop exploitation
